

Remote Breath Pro

The Most Versatile and Compact Breathalyzer
A SCRAM Device

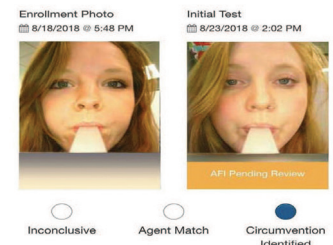

Portable and durable alcohol testing built for community corrections.

SCRAM Remote Breath® Pro provides portable breath alcohol monitoring to ensure clients comply with court orders. The easy-to-use device is ideal for low-risk clients or those who have earned less intensive testing and monitoring.

Enhanced Facial Guidance and Authentication Software

- Provides visual cues ensuring face is aligned during client testing
- Increases client compliance by reducing the need for multiple tests
- Decreases officer photo manual matching 90-95%

Portable and Discreet

This small and durable device adapts to clients' everyday life - enabling them to take tests anytime, anywhere. Includes a fitted carrying case and both standard wall outlet and USB charging ability.

Additional key features:

- GPS location with taken and missed tests
- Immediate notification of BrAC and client verification results
- Configurable scheduled and random testing schedules and testing grace periods
- Stores up to 40,000 test results when not in cell service and forwards upon return
- Optional testing reminders via text message
